

BPP Professional Education Qualification Launch Event Monday 8th June

BPP Professional Education are delighted to announce that a new range of Chartered Management Institute (CMI) qualifications will be offered on Island. Initially three levels of qualifications will be offered appealing to all levels of management. This launch event will provide HR professionals and potential students with information on CMI, programme structures, costs and benefits.

Who are the Chartered Management Institute?

CMI are the only chartered professional body that is dedicated to management and leadership. First established over 50 years ago we aim to raise performance in business by championing management.

Who are BPP Professional Education?

BPP's mission in the developing professional economy is to train people starting out on their careers, and to support them with continuing professional development once they are qualified. This latest initiative aims to complement our existing offering in management and leadership development.

Which qualifications will be offered?

To accommodate all levels of management development we will be offering the following programmes:

Level 3 - First Time Manager Certificate & Diploma

Level 5 - Certificate & Diploma in Leadership and Management

Level 7 - Certificate & Diploma in Strategic Leadership & Management

Flexibility

Delegates can use previous qualifications to seek exemption.

Entry Requirements

We will view each case individually, but generally speaking there are no entry requirements.

Why study with BPP?

BPP are a well established and recognised professional training provider with exceptional pass rates. Our local tutors will provide ongoing support throughout each programme.

Studying a CMI qualification is a good first step in advancing your career and performance in a flexible manner.
