Dear Mr Battersby

### Skills Strategy - Consultation

I would like to thank the CGi for responding to the recent consultation on *Towards a Skills Strategy for Guernsey*. I am pleased to say that submissions were received from a wide range of contributors and covering a wide range of topics which we appreciate and have found of great value. The input received is of great assistance to "Skills Guernsey" not only as it develops the most effective means of delivering the strategy and identifies the most important areas of priority; but also as we develop a sustainable model which can efficiently and effectively engage with all stakeholders to improve the skills levels within our local community and economy.

Thank you again for your submission.

Yours sincerely

Carla McNulty Bauer  
on behalf of "Skills Guernsey"

Richard, your comments &  
on conversation, particularly  
helpful  
Thanks  
Carla
